

Kathryn Fletcher Fowles

November 20, 1946 ~ December 25, 2024

My deepest condolences to Robert and family. Kathy was a great lady.

- Clint Albano

I had the opportunity to take care of Kathryn during her Friday infusions. What a lady. Her niece, Karen, took such good care of her. I loved seeing them go through trivia book’s. Kathryn was an ace. She always had a smile. I am blessed to have known her. I only wish I had known her longer. May her family be blessed with peace and comfort at this time of sorrow.

Kathryn and Robert were so kind to let me live with them for many months while I was trying to figure out my life during college. Kathryn was always there to listen and talk and would share so many things with me. I’m grateful for that time and I’m so sorry for the loss of her to your family. Sending my thoughts and prayers to you all.

Dear Robert & family, Kathryn's departure "on her adventure" is the end of an era for the Fowles family, the Harvard/Yale neighborhood, the Yale Ward and the broader community. Kathryn embraced and incorporated all of the foregoing into her extraordinalilly productive life. She, with highly energeatic capacity and devotion, ministered unto them and and loved them as though they were her own. A loving Heavenlly Father, we are persuaded, has welcomed her back into His presence with open and extended arms, as He will, at the appropriate time, welcome all of you, her eternal family, at the conclusion of life in mortality. We have loved Kathryn, as we have loved, honored and respected all of you.

- Robert F. (Bob) and Joy Orton

We send our deepest condolences and heartfelt sympathies. Kathryn was always a kind and pleasant person to be around. We will miss her deeply and continue to remember her beautiful smile and hearing her trivia knowledge.

Kathryn Fowles. was a dear, sweet woman. I had the -pleasure of working with her several times when she would ask me for a donation (something at the Alta Peruvian Lodge) for the Relief Society. Of course, I was pleased to help her. I would see her often at Dr. Fowles office and also at the Peruvian Lodge when the Lodge would sponsor a dinner for Dr. Fowles, his wife, and his staff--grand occasions. She will be missed by me and many

Dear Robert and family, Much love to all of you! Oh, how we will miss Kathryn! I have wonderful memories of her and all of you from our time on Harvard Ave. I pray that you will feel her close, and feel wrapped in the Savior’s love during this tender time.

Since i first met Robert and Kathy when we sublet their Boston apartment for two weeks to attend a seminar at MIT (and ruined their image with their landlady forever, because of our noisy toddler), they have always been special in our lives. We later worked together at Stanford, and became mutual members of a study group, where Kathy's special insights were on display. We watched them go to Utah, with dismay... we still sorely miss them. But we'll always treasure Kathy's glee. What a privilege to be their friends!

Oh how we love Robert and Kathryn Fowles. We have such fond memories of living in the neighborhood and attending the Yale Ward with your family. The two of you have been such extraordinary examples to us in our lives. Matt learned so many things serving with Robert in the bishopric. I will never forget the phone call we received from Robert when I was diagnosed with breast cancer of his and Kathryn's love and support after we had moved away from Laird Avenue. We feel honored and blessed to have known Kathryn and to have lived in your neighborhood for 10 years. We think of you often. We are sending all of our love to you and your beautiful family.
