You are already terribly missed. Love you my friend. I am sure you are so busy with your family and horses, cats and dogs you havent a chance to slow down. They have been waiting for you, and you will never be forgotten by the ones you left behind. On the bright side we will see you soon as well.

Dear Kathy, family and friends. I recall going with you to stay with Aunt Tony along with the cousins to spend time at he. home in Provo and how she made us return the rod we caught to the exact location were we caught them in the gully behind Tony's home. Fourth of July pick nics at Uncle Garn's cabin and your dad always bringing the home made dynamite for all of us to try to blow things up. Just about blue us up as I recall. It has bee so great to reconnect with you these past few years. You always made melee so welcome.

Sending my thoughts, love and prayers to all of Kathy's family and close friends. She was always so wonderful to me and I bought and owned one of the horses she raised and he and I went on to win World Champion/Reserve World Champion titles in halter and he's sired many amazing foals . I still have his first daughter as my own broodmare. That stallion, KH Money Man, is still being shown, now under saddle, and going strong! Kathy left such a lasting legacy on the AQHA/APHA industry and she will be incredibly missed!

As cousins, Kathy, Jon, Clay and I got together often with our parents. Then in the past few years , Jon’ invited me several times to join he and Kathy for dinner at his residence. We enjoyed the time together and I’m very grateful that I could be a part of their life. I love Kathy and Jon dearly. Thank you for your hospitality. Love, Tony Glazier
