In our first class Kathy and I recalled how songs and music enriched our lives. Kathy's enthusiasm, knowledge of artists and sharing life with Peter encouraged me to learn and share! Peace, Kathy. An "Arts & Aging " friend, Terrie Hanrahan

Kathy was a true artist! I had the pleasure of working with her as part of the UMFA Creative Aging workshop program. Kathy was so celebratory and joyful with her creativity. I will miss her. Sending my deepest sympathy and love to Kathy's family. Laura Wilson
