Mrs. Barnson was my first grade teacher and I adored her. I am a freshman in college now, and I still remember how kind and patient she was with her students. She always had a mother like personality with all of her students and it was always known that she cared so much about all of the people she taught. I was so grateful to have her as a teacher and I learned a lot of great lessons from her. I remember coming back to Highland Park years later and she still remembered me which made me so happy! She influenced so many.❤■❤■

I knew Kathy at Jazzercise. She was one of the kindest women I know. I loved seeing her always-smiling face at those early morning workouts. I had no idea she'd passed until I was looking for someone else's obituary. So sorry to hear this.

Growing up… Kathy was like a second mother to me. There is no one kinder, or more sincere than Kathy. Always welcoming and happy. I will never forget her laugh and her brownies. She adored her kids, and was an incredible mom. I will always look up to her and keep her in my heart. Gone but never forgotten. Much love to the Barnson family. Love, Millie
