Know that I am with you all, Don, Mindi, Tiffany, Holly, Dallin, and family. How proud you all must be to have come from such an amazing woman. And she continues to be through all of you. As I think of your mother, what a GIFT she was. I adored and admired her, and always will. And, Your father, he is my hero. With all my love, and respect,

Christine Demill

Don, So sad to hear of Kathy's passing. While I only had a brief encounter with her many years ago she impressed a genuine kindness that is too often missing in today's world. My heart felt condolences to you and yours.

Cousin Kathy was always so kind to me. Memories of Christmas evenings at Grandpa and Grandma Lund’s house with the whole dang Scandinavian family there. After opening our present we would draw names to determine who we would get a present for next Christmas. By todays standard, Grandma’s living room wasn’t very large but there were at least 30 family members there. My highest regards for Don and their children for the loving care Kathy received as her health declined. I will never forget Kathy’s visit and comfort for my Mother in the last few hours of Mom’s life. Love you all, Ray & Nan Walton

How grateful I am for the letter you sent last month. It was so special to get it and now it is even sweeter to have it. Your family has gone through so much but I know this will be one of the hardest. My love and prayers are with you and your family.

Your wife/mom was such a beautiful person, a true example of living a Christ-like life! She had a quiet, loving way of helping those in need. I remember being at church as a young girl. I watched on multiple occassions as Sister Cash handed over jars of fresh milk to my dad for the family. I will forever have that memory engraved in my head - the image of what it means to be a faithful servant of Christ!

- Tammy Willis-Zendarski

Kathy, Thank you for always welcoming me into your home. You made me smile even when it was I who had come to visit to make you smile. I look forward to being great friends in the life hereafter where we will be free from all that troubles us here. Enjoy your boys and your family that you have so dearly missed. We will keep our eye on Don and will love every minute we spend with him talking about his incredible wife. Welcome home.

To Don Cash sr. and to Others of Dear Family of Don Cash jr. This is Peter Rogers in Ohio. I and my family were close, family to family friends together with the Cash family while we lived and worked nearby. And l, with my family offer love and condolences in respecting the completeness of the lives and accomplishments of each together. May l relate, that in our family and, religion, and we utilize certain spiritual religious healing in certain ways and we respect and we relate to the Mormon religion and it’s own spiritual power and beneficial metaphysical accomplishments as well. I myself was brought prayerfully back to life , after losing all my blood with no heartbeat and no breathing for thirty eight minutes in our rural Ohio countryside road network in 1958. Later l met the Cash family and church members and l believe our Spiritual blending strengthened all of us with the Lord. May Love,

Spiritual understanding, and the presence of the Spirit of the Lord support us each and all together. ‘Amen
