

Kay McGee DeVries

January 13, 1937 ~ August 31, 2020

Larry, May sweet memories of Kay sustain and comfort you, and may your light within continue to shine.

- Bill and Norma Boren

Kay carried a grace and a spirit of joy with her. One could sense the goodness of her soul without knowing her well. Our best to her family at this reverent time.

- Jim & Sherlene Dean

To Larry, Kenny, and Susan...we are deeply saddened to learn of the passing of your dear wife and mother. Kay's smile and effervescent personality drew people to her. We feel blessed to have known her, having grown close to her when she served as the best Ward Librarian ever! She always had a happy and uplifting thought to share with us. May the Lord's promised comfort and peace be with you at this tender time. She is, indeed, with our Savior surrounded in His love. Please know of our love for you! With deepest sympathy and love, Sally and Greg Brinton and family
