Kay was and is an angel without wings. My favorite memory of Kay was as our Cub Scout leader and the fun things we did as youth in her home. She always had an ample supply of French Toast prepared that only had to be tossed into the toaster for an after school snack. She is a true daughter of God and an example of Charity to all. This earth is better for her having been in it.

It's hard to sum up in a message. How very dear Kay always has been to me. She was my first visiting teaching partner, and then she was the world's best visiting teacher. She even took me to the hospital and stayed with me through a surgery procedure watching me throw up and then brought me home took care of me because Roy was out of town. She's always served with that wonderful smile and her caramels were so very, very, very delightful and she was so willing to share them with our family too. I love that woman so very much love all your family. I know you'll all miss her a great deal but she raised you well she loved you well and I'm glad she's with her sweetheart. love you all.

I am saddened with the passing of my dear Aunt Kay, as she was the kindness and most loving member of our family. I truly treasured our family connection. I and our family was blessed to have such a loving compassionate Aunt. I extend my deepest sympathy to her children and their families. Love Gary

She was a second mother to me growing up. I loved her laugh, her smile and her encouragement. She always made me feel welcome. What a sad loss. My love goes out to her loved ones.

Aunt Kay was so kind to our family. She was my grandfather's youngest sister and she was 4 years younger than my mom. Uncle John always said Kay was the best thing that ever happened to the Turner family and I believe him. Kay had an amazing cheer and joy about her and she radiated love. I have the happiest memories driving from San Diego to Salt Lake City to stay at Aunt Kay's house. We added four more kids to her six but she always made us feel welcome as did Bob and her kind children. Sending love to her dear family who is going to miss such an angel.

Kay was always the sweetest person and always had time to talk. With her busy life, she still always made me feel special and showed a sincere interest in my life. She taught me to know my strengths and she did serve me Sprite a few times. I'm so glad she can be reunited with Bob but san to see her go.
