So sorry to hear about Keith. He was a kind and loving person. It's been a while since we've seen you guys, but we loved knowing you. Our thoughts and prayers are with you at this time sending our love.

I very much enjoyed working with Kieth on the parade committee. He was a true joy to be around. My condolences to the family. See you around old friend.

I love both Kieth and Sandra Tripp! I've lived in Draper for over 30 years right across the street from them and they're such amazing people. I love them both. Kieth always took care of Sandra till the very end and to this day I love seeing him out, walking with his little dog that I swear the whole neighborhood has wanted to adopt! I'm glad they're reunited on both young and healthy again!■■■

Keith was my absolute favorite customer at Tanner Glass & Hardware. For years he would come in and lean on the counter and tell stories about anything and everything and I loved every minute of it!! He was such a good man. I know he is so happy to finally be reunited with Saundra. Farewell, you ol' cowboy!

We are so sad to hear about your Dad's passing but know that the reunion with your Mom was a glorious one. We loved them both so much and have such wonderful memories with them in the Sheriffs Posse and just life together including my Dad. I am sure my Dad was happy to see his old friend too. They did so much together including chariot racing. We are so sorry for your loss and our prayers are with you.
