

## Keith LeRoy Beynon

*Oct. 4, 1935 ~ Feb. 18, 2021*

---

My Grandpa was a man that could build anything and fix anything. Some of my most favorite times as a child was hanging out with him in his garage on weekends, pitching quarters and working with his tools on my bike. We had so much fun going up to the cabin with Grandpa and Grandma for weekend outings, playing horseshoes and riding his four wheeler. Too many good times to mention. We will miss him and his hugs. Love you Grandpa. Matt

You have a very special father I just love both of your parents they will be truly missed. Happy to be a part of this large family. I'm sure grandpa and grandma Beynon are celebrating the grand reunion with all their children together. My mother is Thelma and your father came out to her funeral that was really special. Sending my love and comfort to each of you. Joan Smuin Collett
