So sorry to see this. Keith was such a fun and happy guy. My sincere condolences and love. The kids mentioned that it was complications from surgery. I hope you are ok and feel love and peace through this. Love the Tippies and loved being of service to you for so many years. I will be thinking of you Thursday and praying for you. May God bless you all.

Shelley, Bryan and Ashlee, We are heartbroken from the unexpected passing of Keith. We have so many memories of our Family Parties over many, many years and his laughter was contiguous. He was a happy guy with a big teddy bear hug. He had a fun sense of humor. I loved how you and Keith, shared the love of Disney and you will forever have all those memories of your Disneyland trips together and your beautiful Disney Christmas tree. We love you all so very much and our family is here for you, anytime of anyday to help you get through this ❤■
