

Kelci Anne Santy

February 25, 1988 ~ March 16, 2022

I am so sorry to hear about Kelci's passing. She seemed to be a beautiful and accomplished young lady. My thoughts and prayers are with you.

Kelci's smile and laugh were infectious and brightened any day!! She, like my dad, loved animals and gravitated towards each one that crossed her path!! The Joy felt by her loving kindness lives on in our hearts forever.■ Love always, The Neuberger Family

In honor of Kelci's love for animals we made a donation in her behalf to the Humane/adoption Society of St. Louis, MO. ■
