I love this picture of her, she and I had these taken together years ago at Glamor Shots. That was a really fun day! I am really going to miss her big smile and hugs and most of all her friendship we had for the past 40 years.

Kellie was an absolute joy to be around. I haven't been able to see her for a number of years as I live overseas but whenever I think of Utah she always springs to my mind. I loved her personality, especially her laugh. She was the one who always made me feel most welcome whenever I was a sub at Bonco. She was kind enough to help my sister, Joey Jones, and I lay the wood for their kitchen floor. The three of us never stopped laughing. She will be missed but she'll never far from my memories.

Kellie, No words can express the emptiness I feel in losing you. We have been bestfriends since we were 5 years old. You were my Thelma to my Louise. You were my strength when I lost Tim. You were always there. Kel give Tim one of your HUGS for me. I love you girlfriend. ALWAYS. May your spirit soar and Gods love enfold you. I LOVE YOU. Cheri

Where do I begin.....I first met Kellie thru our friend Ally Park. I liked her immediately. She was spunky and funny and kind hearted. Playing Bonco with Kellie was always entertaining. She could tell a mundane story, with her twist on it, and crack everybody up. She was a devoted Mother and Grandma. She loved her family deeply. She was a hard working woman and never shied away from a challenge. Lay tile? No problem! When my husband passed away Kellie showed up at my door with my mail in hand. My yard is sloped and I can't walk down it. She was going to come every day to get my mail and bring it up to the house. She was a good friend, Mother, Grandma, wife, and a great woman. I will miss your laugh and you♥■ ■

To Humes family my sincere condolence to you all. Kellie was a beautiful women inside and out. She always had a kind word I loved talking with her about kids, grandkids and general. I had so much fun when she invited me to sub at Bonoco and meet the ladies always there for support and words of encouragement. She will be greatly missed by many. There are no words I can say to take away the pain or feeling of loss she will always be with you and looking down on you watching. She's out of pain and you will see her again. Sending prayers, hugs to you all. PLEASE let me know if you need anything or a meal brought in.

I have had the privilege of working w/ Kellie for the last 10 yrs. It is true that she has a way about her that makes other people feel loved and appreciated. She is very friendly and excepting person. She would hug employees as they came to visit and loved all unconditionally. Everyone at Xsiding misses you. I am sure you're in heaven sitting on your foot, talking to yourself. I'm sure you're also out walking the heavenly mall halls (WITHOUT ANY PAIN) I

feel the Lord has a special place for you and I believe you're watching over your family from above.....Some people just don't need as long as others to prove themselves here on earth. Watch over us all and keep up the good work...Love LaMar
