- Bob & Linda Dodge

My deepest condolences, Britney I hope I'll b there Stay strong woman!! I know u can handle the situation. With all my ❤■ and soul lots of love to you moma bears and family. I shall miss my brave warrior.

- Yaz

In our life time, if we get the chance to be half the amazing human this is little warrior was, the world will be a better place. We wish there were words we could off you other than, I'm so sorry for your loss. That is how we are feeling though. May you find comfort knowing that in his short time on earth, he knew you both loved him so much. He rests in peace loving your forever.

- John and Katie Dudley
