

Kendra Sulyn Muñoz

January 19, 1964 ~ January 20, 2022

My deepest sympathy for your families loss. I had the pleasure of working with Sulyn and Melody many years ago. She was so sweet, kind and a good friend. Although it has been years since I've talked with her, I thought of her often. She loved crafting and made me a beautiful Christmas wreath that I still have. I am happy to see she found her true love! She deserved it!! And she loved her nieces and nephews so much! Your Heavenly reunion must be grand my dear friend. Thank you for your friendship, love you!

Ted, we are so saddened to hear of the loss of Kendra. What an exceptional person she was, she will be deeply missed by us. It was always a pleasure visiting with her at all the Munoz events. I worked with Kendra. I didn’t realize her illness the last week of her life was that serious. I hope she was able to leave this world knowing how many people enjoyed the association they had with her. Who would have ever guessed that the day before she died would be her kids birthday celebration. To her family, and especially to Ted, I pray for you to feel comfort and peace in knowing that she is relieved of her pain and suffering, and will be awaiting a glorious reunion with all of you. As long as you have memories of her, Kendra will live in your mind and heart until you see her again. She loved you.

I used to work with Kendra years ago. She was a great coworker and I greatly appreciated her sense of humor and camaraderie. My condolences to her family for this terrible loss.

Just a correction. It should have stated "last birthday celebration" not "kids".
