

K. Boyd Baugh

November 11, 1931 ~ February 21, 2026

Kindest and most sincere man there was. Grandpa had a good sense of humor and was classy as can be. His efforts and focus on family made cousins across state lines become friends. He welcomed everyone and was genuinely interested in the lives of each person he interacted with. I love you so much grandpa, we miss you already, but are so happy to know we will see you again and you are with Grandma in the meantime.

Sending my love to all Boyd's family. Unfortunately I will not be able to attend the funeral but plan to watch it. So many happy memories are mine from growing up two doors away from Uncle Ken and Aunt Luetta and kids. Special people as was Boyd

Beautiful obituary. It sounded like everyone would want to know and be associated with. My sympathy to the family - especially Diane and Ken.

Looks like Boyd will be watching over us from a different viewpoint now. I'm so happy he is a part of our family's wonderful heritage! Bless us all for loving and caring and taking care of each other and putting God's will first.

We remember Uncle Boyd for being someone genuinely interested in everyone he met. He was a good listener and always so kind to our us whenever we got the chance to see him. We pray that his children and grandchildren will feel comforted with his passing.

Our Dearest "Brother-in-the Gospel" Baugh, It has been a true honor to know you as a neighbor, ward member and friend. Ruthann, Larry and I already miss the vibrant conversations together at our frequent lunches of Shrimp Quesadillas at the Red Iguana. It was always a comfort to be around you: The feeling that something was Right in the World. I know you had a special friendship and true spiritual influence on Uncle Pete Harman during your shared time in Los Altos, California; leading him to accomplish ordinances in Temple Work. This is a lasting legacy to our family. We love you and deeply miss your welcoming smile, and the intelligent essence you always emulated. Gayle Harman & Larry Perkins

I have so many sweet memories of Boyd from when I was a kid and visiting my grandma Ardella. He was always so kind and fun. I haven’t seen him in years and yet I still feel how much I will miss him.

I was EQ Pres of the Stanford Singles ward when Boyd became bishop. I was there until Sept 1976. I have had in mind to visit Bishop Baugh since we moved back to Utah. I am so sorry for not seeing him. He replaced Dean Lindsay. He was a good man. Besides the church I enjoyed talking to him about his business. He lived a wonderful good life. He is in good hands now with his wife and the Lord and parents, etc. Jay Lindsay

As a new graduate student at Stanford, I was warmly welcomed by Brother and Sister Baugh in the singles branch. What a good, wise, kind man! We are all better people because of the influence of our friend, Bishop Boyd Baugh.
