Oh how I love each and every one of you. I will forever have imbedded in my brain fun times with The Atkinson Family. I love your Dad and of course I remember the day when your mom told me to pull his finger. He and she were such characters and I loved that so much. I was at your house daily sometimes while Yvonne had to clean the house and the boys rocked out to some Aerosmith. Roy once asked me to "wait for him" because i was too old at the time. Your family is and will forever be part of my family. I am thankful your Dad is in an awesome place where he is free to go wherever he wants and be an influence to each of you from beyond the veil. I believe that with every fiber of my being. I know how much he loves each one of you (and ME too) Love you all! As your dad would say, BRATT! Your mom and Dad were MA AND PA 2 to me. forever and always, Jodie

I will miss Frank. I enjoyed seeing him regularly and making sure his hands and toes were trimmed. I am happy that he is at peace.

I have so many wonderful memories of my Uncle Frank. I'll always remember the fun family camping trips, time spent in Helper, and especially his wit and sense of humor! He always called "Miss Molly" when I was a kid and how I loved that! I love you, Uncle Frank. I'm grateful you're at peace. Give my mom and dad and grandma and grandpa a big hug for me!

My Uncle Frank. I will miss your smiling face dearly. I remember his quick wit, jokes, generosity and loving spirit. He was a no-nonsense kinda guy. I looked up to him like a second father. I am sad that I didn't get to spend more time with him while he was here on this earth. I love you Uncle Frank! Your nephew Kenny.
