To the Christensen Family, We are very sorry for your loss! Our prayers and thoughts are with you guys. Our daughter Megan is a very close friend to Kenni's daughter Bryn and throughout the years she has gotten to do so much fun activities with the family. Kenni has treated her with love and kindness. We will always keep Kenni in our hearts. Sincerely, George, Vonna and Megan Rees

We were shocked and saddened to hear the news of Kenni's passing. We have lived next door to Fae for many decades and although we don't know everyone's name we have always enjoyed and admired the family. You are in our thoughts and we are here to help if there is anything you need. Wishing you comfort from your strong family. The Fishers (Thomas and Susan).

You'll be missed. My sincere condolences to your family.

Dave so sorry to hear about Kenni's passing. May you and your family feel the Love of our Savior at this hard time. Since I moved to St. George I haven't seen many of the family but have kept in touch with Sunnie. Becky, sends her condolences. When I told Jenn she too was surprised at the news. she said to let Shon know of her sorrow also. We as a family send our love and wish for understanding, love and comfort at this time. Remember the many memories as you go thru her life experiences and find joy and happiness in them. Thinking of you at this time. Give Fae a hug for me, Carol Jean

Dear Dave and Kids, Steve and I send our love to you over the passing of Kenni. What a special lady and friend she is. We sure made some wonderful friendships in Rose Canyon. Over Christmas when I would hear Silent Night, I would think of Kenni and Pam singing and Nate accompanying them on the guitar. Good memory. Take care. Love, Steve and Sydney Furr

I loved the times we sang together. Once you drove to Summit Park so we could sing a duet together. I loved singing in the South Jordan Christmas concerts. There was such a calm, peaceful feeling to your voice. When you and Dave sang together, it was magic. Karaoke at family events always left everybody laughing. The day I married my Dave, you and your Dave sang on my deck as I walked down the stairs. I have shared so many special moments with you. My heart and mind are filled with memories. Thanks for making your Dave smile, laugh, and see the world in a different way. You are eternal companions in every sense. I will hold the memories close to my heart and remember the joy you could bring to any room. Rest safe and easy and you watch over all of us, until it's our turn to take that step into Forever. Love, Pam
