

Kent Albert Christensen

April 10, 1932 ~ November 20, 2020

My Uncle Kent was an amazingly kind individual. He was always so positive and caring, making everyone feel welcomed and loved that had an opportunity to be part of his life. His love of sports, football in particular, was contagious...I hope he is watching all of his favorite teams from heaven! My sincerest condolences to his family. Rest In Peace, Uncle Kent.

- Travis Nix

In loving memory of a wonderful Brother in law. Mary and I love you and miss you always. He has joined his wife to move on to a better place where he will be relieved of all her earthly ailments and pain. And once again have the comfort of his family who have preceded him back to his heavenly father. We will deeply miss Kent and his love of sports and fishing! May god bless his family.
