

Kerstin Ingall Hedstrom Kramer

December 24, 1937 ~ May 8, 2024

Mark, Stephen, David, Michael, Scoll and families Thinking of you all at this very sad time, Kerstin was my first sister-in-law, she wrote beautiful letters and had most amazing hand writing. Sending love and hugs from down under to you all, sorry I cannot be there. Love always

Our sincerest condolences to the entire Kramer family on the passing of your mother. I remember how much she loved her children. I remember her easy smile and laughing eyes when she engaged with Mark and Stephen. She had a sense of humor. She always said, "Oh Conrad". You see her heritage in the faces of her grandchildren. May she Rest In Peace.
