August 6, 1951 ~ August 9, 2024

Kevin Gray Family: Kevin was a might big man He possessed knowledge, kindness, direction and sympathy everyday of his life. I never heard Kevin waste words. I'm very regretful of reading of his passing. The staff where Kevin was employed, was always better off because of his expertise. Good luck and rest in peace.

My deepest condolences to Kevin's family and friends. I'm extremely saddened to hear of this. Kevin was a giant among men. He was an amazing man with such compassion and devotion. Kevin was truly the best supervisor anyone could ask for. I always told him he reminded me so much of my dad (who he remembered from daddy taking prisoners to the jail). He was soft but stern. He was tremendously caring when it came to anything family related and he always stood behind us if crisis arrived. He was the only supervisor I had that actually cared. He also worked along side us every day. Kevin takes a special piece of my heart with him in his departure from this earthly world. He will be truly missed by so many.. ■Rest Easy Kevin

Kevin was a kind and caring man. He knew members of three generations of my family and influenced them all. He will be missed.

I will never forget this great man, as he had a profound influence on my life! Not only did he give GREAT Priesthood lessons at church, he set a perfect example as a father, as I had witnessed multiple times while

visiting/staying at the Gray residence. One other thing that will stay with me is after I took the psychological exam for entrance to the State of Utah Dept of Corrections officer training, Kevin remarked that he was astounded that I had actually passed that part of the exam! (As was I). My heart and prayers are with the Gray family as I too, mourn their loss. ■■■■
