Dear Sorensen family, Please accept my sincere condolences for your loss of this great guy. Kevin and I were best friends growing up. Fred and Twilla were very patient trying to teach me to water ski at Bear Lake as a kid. (I insisted on wearing three life jackets to make sure I didn't sink, while Kevin wore a single life belt and did dock starts without even getting wet.) We had many good times working on muscle cars and snow skiing in the winter.

We put a hole in the front of Fred's boat on our high school graduation trip to Flaming Gorge, but that didn't seem to bother Kevin too much, knowing that his Dad could easily fix it. We didn't see each other much after high school. but it sounds like he remained the great guy he always was. May the memory of that ionic smile comfort you in these difficult times.

- Bryce McMillan

Pam, So sorry, what a shock. Sorry I didn't make it to the service or viewing. A similar thing happened to one of my former Seminary students in Pa. You kids were always such good, fun neighbors. Jae has been gone 9 plus years. I hope to see you one day. Catch up on your family. My five girls were all home for a short visit. First time all together at once. For a long while.
