Kiki was one of the strongest girls I have ever met. There are no words to express how much I genuinely loved her. She was the most selfless girl to walk this earth, always putting everyone before herself. Anytime we would hangout Kiki became the party no matter where we were. Her smile lit up any room she walked into. The biggest blessing was getting to know Kiki and being able to call her my friend. Paint the sky pretty for us Kiki. I love and miss you beyond words.

I am so sorry for the loss of such a special girl may God heal your family and she will always be there to help you if it is a butterfly, a penny or just the wind that blows by you when you are thinking of her. know in your heart it's her way of loving you.

I AM TRUELY SORRY FOR YOUR LOSS, MY HEART IS WITH YOU ALL DURRING THIS TRAGIC EVENT ,LOVE ALWAYS REED AND FAMILY.

- Reed Nuzman

You always knew when you were in the presence of Keaira. Her smile and aura made any room bright. She fought so hard and for so long. Much longer than any child should have to endure. Did she lose the battle? No, not at all! I have no doubts that she left to rejoin her place in heaven as her soul was too pure for mortal existence. We will always have a spot for Kiki in our hearts and minds. No matter what she had going on, she always made time for my son. And for that, she lives on. We miss you Keeks, but one day we will reunite and you can tell us all about your new adventures dancing in the stars and reading good books on the moon. You've always had wings, go in peace and touch your mom and dad's heart when they need it most. You will always be with us. Until we meet again.

- Ryan Richmond

My heart is so sad for you and your family. Kiki was a light in everyone's life who was blessed to have known her. Even though this moment has been expected it is heart wrenching to know we won't hear her laugh, see her smile, feel her hugs again. I know we are 2000 miles away but you are family and we are here for you as you mourn and find peace in this moment. If you need someone to listen or you need an escape you know where to find us. We love you!!! ■■■■

Sending love and prayers for all of you. Kiki was a reflection of her parents. She was brave, loving, intelligent and thoughtful. Never doubt that as parents you were hand picked to raise this beautiful girl, you were exactly right for her. I know you're surrounded by a big loving circle of family and friends but always know you're part of our family too and we're always here for you.
