*February 10, 1966 ~ September 5, 2024*

---

Our deepest condolences go out to you Stacy, Penny, Chan, Sam and your families. Kit was a part of our family too and we will miss his sense of humor, his smile and his calm presence. Kit was at home in any environment and was always a joy to be with. We feel fortunate to have so many fond memories of road trips, movies, concerts, camping and cookouts with Kit. New Year's Eves with Kit and Stacy were the highlight of many years. Kit was a successful businessman but we always felt that he measured success by time spent with his family and friends. Kit shone with an inner light that brightened our days and will remain with us as we come to cope with his loss. We will always love you Kit.

I’m so sad to hear this news… Kit was just the sweetest human! I met him through work years ago, and had him clean carpets for me on a regular basis. He was always smiling whenever I saw him. When I hear the phrase “people won’t remember what you said, they will remember how you made them feel”, Kit comes to mind instantly. He will be missed greatly. -Gabe

What a beautiful obituary. I was shocked to see on Facebook that Kit had passed. I had the good fortune to interact with him many times when he was cleaning carpet for us. He was always so kind. Kit became friends with my wife Stephanie and we talked, mostly about music and concerts many times. I'm so sad to hear he is gone.

To the family of Kit, We had the wonderful pleasure of getting to know Kit through his business of carpet cleaning. Kit was always so kind and fun to talk to, while we knew he was having some health issues over the last few years he was always up in spirits and the kindest person to be around. We send our condolences, thoughts and prayers for peace and comfort in the coming days, weeks and years. Rock on Kit!! Thank you for the many years of wonderful service. Gina @ Vista Twin Apartments
