I have many fond memories of hiking with Uncle Laddie! Praying for all your family at this time.

After many nights eating dinner at a campfire, my role model and friend has moved on ahead as he usually was on the trail. Kline was the ultimate camper and climber. My memories of him are "locked in my vault of treasures". Cheryl was a companion early morning seminary teacher and my "go to" source for doctrinal issues. Love to your family.

My condolences to Kline's family. I am very sorry to hear of Kline's passing. I am a Civil Engineer and one day I got an email from Kline and it said "are we related?" I responded back and it turns out we were related and ever since

than. I have looked forward to meeting Kline and Civil Engineering functions, lunches, dinners and conferences and talking about family and Civil Engineering. I am disappointed I won't be able to attend the service as I will be out of town. My thoughts and prayers will be with him and his family.

I will always remember my good friend, Kline Barney. How can one forget those memorable backpacking trips into the High Sierras. Kline has earned the right to graduate into the next phase. I am sure he was received into a state of happiness where he can rest from all his troubles and sorrows. Barbara and I send our condolences to Cheryl and the rest of the family.

Cheryl and Family What a beautiful life story in his obituary. I always loved his constant smile and kindness that seemed to emanate from his soul. I always remember seeing him in his boy scout outfit which I didn't fully appreciate until I found myself in Young Womens and going to camp! So grateful for his life, and for the influence you both had on mine. I remember my dad and mom both speaking so highly of you both and with great respect. Cheryl, forgive me for the absolute pill I was in Seminary - at that hour I don't know how you tolerated my behavior. I always "felt" something in seminary even when it didn't appear I was listening. Thank you for your dedication and long suffering. Sending love and hope for peace at this time. Jane

Sorry to hear of Laddie's passing. I remember him from visits on Evergreen Ave. We also visited him and Cheryl on a family vacation to California where we admired their avocado trees. Please accept my condolences as I am unable to attend the funeral. I will miss seeing all of you especially Linda and Jan. May the Lord bless you at this difficult time. Much Love, Your cousin Colleen
