I'm so sorry for your loss. She was so amazing to everyone she meant. We weren't close friends but I'm so so glad I met her. She had an amazing voice and loved to make others laugh. She made the time I was with her so much better.

Kris and I attended the same launch class at Taylor Andrews Academy. Kris was a kind person with a big heart. I remember her sketches, her passion and artistry with her nails. Mostly I'll remember her bright smile and charming laughter. My sincerest condolences to those left to cherish her memory.
