Troy I am so sorry for your loss she was one of the most kind hearted person I could have ever had in my presence this world will truly miss her sending prayers to your family

- Trista Queen

My most sincere condolences to Kristin's family. I had the privilege of getting to know Kristin when she was a teenager. She was so spunky and outspoken. And even at an early age, Kristin was a fierce defender of her family which included her extended family. Kristin always greeted me as a family member with a big smile and a bigger hug. One of the very special things about Kristin that I will always remember is that she had a way of making you feel like you were just with her the day before, even if months or years had passed since you had last seen each other. Kristin went out of her way to make sure that you felt comfortable and accepted unconditionally regardless of who you were. I will never forget hearing Kristin sing for the first time, she had one of those voices that could literally bring you to tears. She will be missed deeply by those who were blessed to have known her. Rest easy Kristin, the world is a darker place without you in it but the heavens are certainly brighter.

Kristen was so sweet and caring! The first time we really got to spend time together was when we were there for Kyler and Kadi’s wedding! It was like we had been friends forever! She truly was a precious soul❣■ We are keeping her special family in our thoughts and prayers ■❤■■ We love you Kyler, Kadi, and Bridger■

Last time I saw Kristin was in the Oquirrh Mountain Temple when she was there with her son going on a mission. We threw our arms around each other and hugged and hugged. Tears of joy were shed. It was a happy time probably right before she got sick. But I will remember her as she was that night in the temple and her sweet smile and laugh. I've loved her since she was little and she was a part of our family too. We all will always love and miss her.
