

Kristine Hoffmann Allred

Sept. 9, 1964 ~ Sept. 9, 2021

The heroic battle of Kristy and the support of her family was an inspiration to us. We love you guys!

- Tom and Marianna Allred

Bruce and Family, My heart is truly sad at Kristy's passing. I pray that your family might feel her love and spirit continue to surround you. Kristy was a rare and beautiful lady. She was a great friend and joy to share this life's experience with. May she Rest In Peace and her body be free. All my love to each of you

- Dee Porter

To all of Kristy's family and friends: We hope all is going well for you. We know that Kristy is in a better place feeling well again. We will all see her again and associate with her again. Marla and I (cousin) will not be able to attend the viewing or funeral. We would like to, but we both have a bad cough right now (hoping it is not covid-19). We will take pre-cautions to not expose anyone else. May God bless you all. Sincerely Duane and Marla Brown
