

Kurt Ream Olsen Olschewski

September 17, 1954 ~ January 15, 2024

I didn’t know Kurt. However, I have known and worked with one of his children for a few years, and I have high respect for Kurt due to the kind of human being he helped to raise. Danke for making the world a better place Mr. Olschewski! My sincere condolences to the family. I pray you’ll find strength and peace in your faith and in the memories you’ve created over the years.
