

Lela Jane Kimber Runyan

May 7, 1928 ~ May 30, 2020

Lela Runyan was a wonderful person. Had great respect and love for her growing up with her children in the Mt. Olympus Cove. Condolences to all the family. She was so good and kind. She is now reunited with those she loved and lost. May Heavenly Fathers spirit of comfort be upon all of you. Brent Greenwood

To: Becky, Kyle, and Sarah I want to express my condolence at the passing of your Mother,Mother-in law and Grandmother. I am sure she was also known as wife, aunt. niece, neighbor and good friend daughter. The last few years have been difficult. I would bet she has suffered much frustration with her health. Now she is free from those frustrations and will ever be. she has endured to the end and has seen her Heavenly Father and Savior Jesus Christ and welcomed to paradise by all her loved ones beyond veil and those who knew her in this earth life. Lela and i share Grandchildren. Her granddaughter is a mother to five of my grandchildren and my youngest sons wife. you have given have given me the best you had to give. all I can say is thank you for all your good works
