RIP/RIL Brother. Praying you are at peace. May God's peace & comfort be with Pita and the children. Wished we could have spent more time together, but you are probably living it up with Mom & Dad, Pale & Ana and other family members. See you soon.

Love the Lord your God with all your heart and with all your soul and with all your mind- and he obeyed. Two shall become one flesh'; so then they are no longer two, but one flesh. Therefore what God has joined together, let not man separate- and he obeyed Be fruitful and multiply, increase greatly on the earth and multiply in it- and he obeyed Love the Lord your God with all your heart and with all your soul and with all your mind- and he obeyed I celebrate your daddy. A life well lived. May your love for one another grow deeper, wider, and stronger because of the love he showed you. May you rely on the peace that only God gives. Love, The Mora family

"Blessed are those who mourn for they will be comforted". Matthew 5:4 To my sister, Lupita & my nieces and nephews, may God give you strength during this time and may you continue to draw near to him & lean on his comfort and care. We wish we could be there to celebrate the life of Laauli, but we are there in spirit. Laauli was a humble man with an outgoing personality. He could make me laugh with his funny jokes & would always remind us that we are family. May you rest in peace Laauli, you maybe gone but you are not forgotten. Ia manuia ou toe sauniga ma ia maua sou nofoaga mau i le lagi. Alofaaga e le uma from your brother in law Pili, Mandy & their family in Melbourne, Australia.
