Eternal Life is the best!!! We will be with our loved ones again forever!!!

- Cathy Turner

Dear family of our wonderful Lana Walker: She was a joy to our family. Our daughters Chelsea, Mackenzie, and Whitney loved her in Primary, Young Women, and girls camp. She was the funniest lady on the planet and always had plenty of treats and funny things to laugh at. She always dressed in bright colored beautiful clothes, scarves, coats, shoes, and hats. She sang beautifully in the choir every week she could. We loved her English Toffee that she loved to make at Christmas time. She had lots of love and compassion for everyone!. We'll love her forever. Hope she and Dahl are loving their time together. Love, Leslie & Karl Christensen and family

Lana is my very dear friend! I wish to express my sympathy and am happy she is with Dahl again. Lana and I had such fun! I will miss her zest for life.
