How we love Lane! We are so sorry that he couldn't stay longer, and send our sincere and heartfelt condolences. We saw Tyler at Stake Conference and he let us know Lane was close to the end. Such a great man! We wish we could be there with you, but if there is a link we would love to watch the funeral. All our love to Joyce and all the family!

Dear Joyce and family, What a beautiful funeral today. We are encouraged by the hope the gospel brings through the atoning sacrifice of our Lord and Savior Jesus Christ. It is fitting that Lynne's funeral was the day before Palm Sunday. We wish all of you a happy Easter or eternal friends. We love you.

Brother Staples was a great teacher and he will be greatly missed. I loved his Institute classes here at USP.

I love Lane, Joyce, and the entire family. Our neighborhood was overjoyed when Lane and family moved into Sandy. Lane gave so much to his neighbors— me. His example of good, will never be forgotten. He truly is a great individual- well done Lane, a strong finish you did have. Enjoy the Heavens… you will always be loved and we will take good care of Joyce— she is so loved by so many ❤■■■■

We love Lane and the Staples family and are better people for having been around them! Sad to hear we lost a good one, but he has passed the torch to a great next generation! Lane was a great example to everyone in our family. Always, calm, cool, collected, and loving. Never a doubt of his faith in God. Our kids were still young before Lane and Joyce moved to Utah. Joyce and Lane were always such a positive support to our kids! We told our son Ben of Lane's passing last week and Ben's memory of Lane was of being over at the Staples house, about the age of losing teeth. He and he remembered Lane pulling out some pliers telling him he could help with any loose teeth. Always willing to help others in any circumstance! Love, The Cooks!!

I always appreciated the warm, loving kindness Lane showed towards me. He would always greet me with a big smile and hug making me feel important and accepted. His gift for emulating Christlike love is something I will fondly remember Lane for. It is something I will strive to follow and share with others along my path in life. Thank you, Lane! My heart and prayers go out to all the Staples family for your loss of Layne. May his loving memory hold dear to each of you, and bring healing peace and comfort throughout your lives.

♥ Dear Joycee, Tyler, Todd, Brad, Rob, Scott, Sam and families I have been so blessed to be an extended member of the Staples' clan! I so wished I could have been with you on Saturday to commemorate your wonderful dad, but so grateful I was able to be there both in spirit and virtually. Each one of you Staples boys gave such beautiful and fun, memories of your dad. I was so impressed with each of the ways he influenced each of you

individually. I will be forever grateful to have been able to visit with your dad last summer while in Salt Lake. When I arrived, Joycee you might remember, you were out exercising with your daughter-in-law. So, I was greeted by Lane and one of his warm hugs and then got about 30 minutes just to enjoy his kind, engaging, and easy demeanor! That is what I remember, he was always kind and engaging and good for a warm hug! But, your whole family has ALWAYS been so welcoming and warm to me and a great source of support and strength. So the legacy of love and service that your dad (and mom) have so wonderfully instilled in your lives on. ♥ Love each and every one of you and pray that in the coming months you will be supported! Love you, Chris (aka Chrissy) ♥♥♥
