May 1, 1933 ~ January 2, 2024

I'm so grateful I was blessed to have known such an amazing woman. Thank you LaNiel for all your beautiful lessons you taught in the 7th ward.■ We will miss you always.

I loved my visits with LaNiel. She was so proud of her family and I enjoyed her family updates, stories and her humor. She was my neighbor for over 20 years and was always so kind to me. I will miss her sweet spirit.

LaNiel is a bit older than I am, but I always felt comfortable around her because of her sweet personality. Then she became a good friend of my Aunt Ramona. Whenever Aunt Ramona came to Utah I drove her to LaNiel's or LaNiel came to my home and we had lunch together. It was always a delight and I got to know her so much better. What a grand person. I am so happy she can be with her sweetheart and other loved ones now. I feel grateful to have precious memories with her. I am sorry for such a big loss. I hope you will feel comfort and peace -- eventually. With love, Cousin Suzanne

We feel bad for not being there today. We have duties here in St. George today and tomorrow. We are watching on zoom. I was assigned to visit LaNiel right after she moved into our ward. What a wonderful lady and spirit she was. We became good friends with her after that first meeting. She was surely a light in our lives. Reid & Sandy

Mrs Reasch was my third grade teacher in Cowley, Wyoming. She and her family lived just a few doors down from mine. I think most of my classmates would agree that she was one of the finest teachers we ever had. I know she

made me feel like I was somebody special. I’m so sorry to hear of her passing and I wish I could’ve told her how great I thought she was before she passed on.
