I have always loved Aunt Lapriel. She always made me feel special. I loved hearing stories from my Mom about her. And I loved talking with her. She is an angel. She always made me feel loved. I will miss her dearly. I love you, Aunt Lapriel. With love, Julie Bunderson

Missy told me of your mother's passing. I send you my love and sympathy. I did not know her well, but I know she was a lovely lady beloved by all. I send my love to you. I cant drive right now because of knee surgery so I can only let you know I care. Marie

I've heard many stories about Aunt LaPriel from my grandma (Sandra Alexander), visiting with her at weddings, funerals, and other family gatherings has been my favorite. I was able to visit with her and her family along with my mother (Julie) and grandma (Aunt Sandra). I loved hearing her stories, and just sitting and visiting was absolutely the best Sunday ever. I send my love and prayers to the family! With much love, Leela.

Dear Kris, Angie, Kaden, Kameron; and, Travis, Katie, LaPriel, and Wally, This is also to Kerri, Kenny, Kelli, and their families. You gave a wonderful tribute to LaPriel Hunter today. She is what you all said she is. There were a few times when I was alone with her, she expressed great kindness to me also. LaPriel was easy and fun to talk to. What she said was very important to me. My thoughts and prayers are for all of you at this time. I’m sorry I couldn’t make it. I really am. Sincerely and with love,
