

LaRae Johnson DeYoung

October 10, 1973 ~ April 20, 2026

Dear Family and Loved Ones of LaRae, I am deeply sorry for your loss. LaRae was truly one of the kindest people I have ever had the privilege to work with. She was patient, caring, and always willing to help others. To many of us, she felt like family — like a big sister who looked out for everyone. She worked incredibly hard and always brought kindness and warmth into the workplace. She was also so caring to me and to my husband personally, always checking on us and offering help whenever she could. She was sweet like an angel, and in life, you don't often have the luck to meet people like her. She was truly one of a kind — not only someone wonderful to work with, but someone I felt privileged to have met. She had such a contagious laugh and would laugh at all my jokes, which always made my day. I just wish we could have had the chance to meet in person, like I always told her. Please know how much she was loved and how greatly she will be missed. With deepest sympathy, Melina and Richard

We are so heartbroken to learn of LaRae's passing. While we never met her in person, she was our go-to person at Boardwalk Rent Management, for any maintenance on our rental units. She always treated us with kindness, while displaying an energetic can-do response. She was on top of any property melds, and working nonstop to find a solution. Just the sound of her voice on the other end of a phone conversation left us feeling assured and cared about. We would like to express our sincere condolences to her husband and her family at this difficult time. May they find comfort in her memory. Sincerely, Dale and Karyn Angell

LaRae was a sweet & wonderful friend. I had the joy of being her ministering sister for many years and having worked with her in Primary she loved her calling and the kids she taught always bringing treats for them to make her lessons more fun. I'll miss you my friend!
