Saddened because of the loss of your mom and grandma, but have cause to rejoice as well, as she is once more with your dad, and your brother Mike, as well as other close family and friends. May the comforter give you peace, and love at this time. We love you, Lynn and Sharee

Prayers and thoughts are with you at this time. I can only imagine the reunion going on with your dad and brother, along with grandpa & grandma Birch and the brothers and sisters. We are here for you whenever you need us.

LaRee and Robert were loved very much in the Birrell Family. She was always there to help out taking care of our Mother Nelma Birrell, everyone would take turns sitting with her until Dad got home to takeover the duties. She was a great seamstress, and had so much talent, Dancing and I will never forget when she showed me one time her Dancing costumes and shoes at their first home when they were married. Before they started a family. Large and Robert always invited us to attend dinner at their home and also take us to Liberty Park for Concerts and Hill Air Force Base where Robert Worked, he always included his youngest brothers to go along, Myself and Lynn Birrell. We will miss you LaRee you have been a super Sister In-law and we loved you always. My best to the Family my niece's and nephew's. Unfortunately the storm that came to California, Utah and many other states was just horrible. the clean up takes time and so much to do. We Love LaRee and Roberts Family very much. Uncles Lawrence and Daniel
