I'm so sorry at your loss. LaRee lived a great life and has a wonderful legacy in your children and grand-children. What a woman. I remember her well and her kindness and dedication to her family and to Jack. She lived a long happy fruitful life with many loved ones. What a stalwart in the Granite community.

Sieverts family, your mother will be missed. Such a wonderful person that you couldn't help but like. To know her is to love her. So glad that she is again with Jack. That is where she belongs. You have a wonderful heritage. Big shoes to fill. I always have loved your mom and dad. They lived a good life, fought a good fight, and kept the faith. So glad that I know them. We love your family, Dennis Orgill Family

When we moved to Granite, LaRee was one of the first people we met. I worked in Relief Society with her. She gave me her pie crust recipe which made 9 to 10 pies along with several pie recipes. She was a wonderful cook. She was beautiful inside and out. I will miss her happy countenance and smile but know is is loving being with her loved ones in heaven. I

Sorry for your loss! LaRee was one of my favorite nieces. She was extra special. She will be missed especially getting her Christmas card. I remember her as a little girl growing up. I enjoyed watching her service on the computer.
