

Larry A. Mantle

August 8, 1937 ~ October 27, 2022

Larry was the sweetest man, always a kiss ■ on the cheek from him.

- Nancy Jacobson

Larry was true kind and friendly man. He would call often to see how his friend Bob was doing. He would call me”B” and we would have great chats. He will truly be missed. My condolences to Shawna and the rest of your family.

Mr. Mantle was always so good to the kids in the neighborhood. He spent time talking to us, and being involved with youth sports. Us kids loved to spend time with him. I remember taking my new Jeep over to show to him, I was so proud of it. Being a Chevy guy, he had to bust my chops. He was a fun person to be around. Becky and I pray that his family will find peace in his memory. Larry is one of the good guys.

Helen & I would like to express our condolences to Shawna and Larry's family. I (Jerry) worked with Larry in the Salt Lake Zone in the early '80"s. Just seeing his picture, I can hear his laugh and am reminded of his harmless "neck massages". We are honored to have known him and Shawna.

- Jerry & Helen Moser

Larry and I have worked together for many years with Chevrolet and General Motors. His knowledge and skill have taught me many things that have helped me throughout my career. I have enjoyed working with him.
