Dear Gloria and family, We were honored to be Larry's friends, and learn from his example of testimony, faith and optimism. Thank you dear Gloria for the way you lovingly cared for him throughout his illness, tirelessly and without complaint. We are so thankful for the gospel and our knowledge that Larry is well and whole and continuing to serve the Lord and care for his family beyond the veil. May you be blessed with peace and comfort. With our love, Wendy and Toney Bentley

We were so sorry to hear of your husband's and father's passing. Although time and circumstances in our service together in the temple did not enable us to get well acquainted, it was obvious that he had dealt with a severe blow to his health and despite that setback, he had fought the good fight and was willing to give his best in service to the Lord. Please know how much we admired him. We send our sincere condolences knowing that he will truly be missed by family as well as many, many friends.

Gloria, We pray for your peace and comfort in this time of loss. Larry has been a wonderful part of our lives and such a great example of faith and fortitude. The two of you have been wonderful examples of enduring well even when its so hard you are not sure how to deal with it. But, through the gospel of Christ, you both know the truth of the eternities. How wonderful to know of assurity that you will be together forever. Know you are loved and appreciated. May you have the peace of the spirit now and always
