Larry will be missed! Skip & I have enjoyed many conversations with him and loved his introduction to St George to us and giving Skip the idea he also had to have a Jeep!! Loved hiking and skiing with him. RIP dear friend

So sorry to hear about your loss. I only knew him for a short time but I felt that he was a friend. He was a gracious man and will surely be missed.

Dear Paulette & Family, Times with Larry will always remain a good memory in my mind and heart. I will always remember him asking me whether a certain property was a good investment and my reply was if he didn't go for it I would. He did & it was vvery successful. The Journey began! God bless you Larry. With love & respect, John and Donna Everitt
