

Larry Ray VonWald

September 11, 1942 ~ August 14, 2025

What a wonderful life Larry lived being a decent and respectful human. More people like him in this world would make it a much better place. Wish I had known him a lot longer than I did.

Larry meant a lot to Don and I. We have enjoyed our friendship and endeavors. What a great friend and man Larry was. We will cherish our get togethers and time in New York and cruise along with our cherised outings for dinner and drinks. Don and Larry spent many times golfing and making memories with the Dirty Eight. Larry will be solely missed in our hearts.

My thoughts and prayers are with you all.

Larry was kindly welcome me to his home as his daughter, Leisa’s friend 26-7 years ago. He’s an altruistic individual! And He’s also one wise business person! It’s such a blessed to have chance to know him! I’d such a great memory and I’d learn so much! Now that he took a journey to the next Chapter! May the light shine his way to wherever he want to be! And surrounded with everyone he love and love him! We’ll meet again someday!

Marilyn and Family, We send our deepest sympathy on the passing of Larry. I remember him and all of you in London fondly. My father often spoke of him and always with the utmost esteem. Unfortunately, Terry will be able unable to attend his Celebration of Life as he has just passed away this week. I know he was really planning to try to get there to attend.
