I am so sorry to hear about Larry's passing. He was always so kind to me when i was over visiting his sweet wife! I have fun memories of my friendships with Karen and Zane! Karen was the best babysitter ever ! i just found out about this today and im sorry i couldn't visit at the mortuary. My thoughts are with you and your sweet family!

May Larry continue to ride that highway in the sky. As a fellow railroader his memory will forever be etched in my mind.God speed Larry.
