I love, love, love this dear lady! My childhood memories are full of LaRue moments. What a delightful person. I always wanted to grow up to be like her. She was a great role model. I have a boat and a convertible, and I'm pretty sure it's because of her! So much love to your family. I know how much you'll miss her! I'm sure she's having a wonderful reunion with your dear Dad. Also, the old gang is back together.■ Hugs.

When Holly brought LaRue to Pack Creek Ranch, we felt gifted by her gentle & uncommonly authentic presence; LaRue seemed to step into the moments to share those with us. Our hearts are full of gratitude for those experiences over the years. We are holding Holly & all LaRue's beloveds in our hearts. LOVE Jan & Cliff

LaRue was one of the nicest and loving people we have ever known. She was a sweetheart in every way. We will miss her in the family as much as Colby. Reed and Rosemary

I loved this dear woman so much. She always made me feel accepted and unconditionally loved. Her beautiful example was quiet and unassuming. Her influence had a positive impact on me in so many ways, as one of her YW and throughout my adult life whenever I saw her. I always knew she loved me in all of my weakness. She will be greatly missed, but what a wonderful reunion we will all have with her one day! Much love to all those loved ones left behind. I love you all. Lauri Jo Moncur
