Laura, you will be missed more than you know. ■ You were beautiful inside and out. A friend to everyone and you were always there for those in need. Your grandchildren were your world. Our Facebook group and events will not be the same. You will be missed but always remembered by all of us. Rest in Peace my sweet friend. Sending love and prayers Love Dawn

Sorry, for your loss.

Laura was the sweetest, most well-meaning cousin. She so cared for our grandmother and I know she loved her kids and grandkids — many cherished photos show her embracing the young ones. That love is forever!

We were more than just neighbors, we were an extended family growing up. Laura Lee was the cool older sister with the hot rod car■. We reconnected on Facebook and it brought joy to see the beautiful life you created. Laura Lee, you are thought of fondly and missed immensely. To the family…there are no words to comfort you, but know this great village is here for you. ■■■■■■

I had the pleasure of working with Laura for most of my time at the University of Utah for the past 20 years. She was kind, patient, and always had a smile for others, even when she herself might've had a hard day. I appreciated her professionalism and will miss her greatly. I'm so sorry for everyone's unexpected loss.

I am so grateful to have gotten the opportunity to work with Laura and experience how genuine, compassionate, kind, and caring a person can be. She worked tirelessly to help others, always going the extra mile for those in need of support. She was always there to lend a hand, to listen and to offer advice, and provide a smile when you needed it. She truly made this world a better place to live in, and it will be a dimmer place without her in it. Rest in peace my friend.

Laura worked with my daughter, Lorri. They became good friends & Laura & her mom, Barbara, supported Lorri with her NODD events, gave support when our grandson died, & was there to support us when Lorri passed. Laura was there for everyone & she made every friend feel like they were her favorite. Laura, I loved you like a daughter & you touched more lives than you could ever imagine. Til we meet again…
