Laura was an absolutely amazing person. She always made me feel welcome in her home and made me feel like one of the family. I will always remember her kindness, her strength, and her wisdom. She had a spiritual strength about her that I rarely see in people. She knew she had a loving Heavenly Father and had the largest testimony of

the gospel. I will miss this dear woman! Love and prayer to her sweet family.

Words seem so inadequate to express how sorry I am for your loss…I'm grateful for the text exchange with Laura for her birthday, that date stuck in my head since we were kids! We were free spirits, galloping (flying) on our horses! Lived on the same block, wrote to each other when she was "on the farm" where she wowed me with talk of snow! SDHS grads…..Laura will always have a special place in my heart!

I have so many fond memories of Laura. She was always kind and inviting. She was there for me when my mother passed and I know she loved me unconditionally. She taught me what it took to be a good mother and friend. She was never judgmental of me or the way I worshipped my heavenly father.

Laura was a blessing to our family. She taught primary to our daughter, Hope. She was so patient with Hope's shenanigans. Laura was so well suited to love our girl who had some extra needs and required a little more. She was also an activity days leader for Hope and our oldest daughter, Minnie. She knew how to love in a way that made them feel so special and cared for. Our lives were definitely richer for having known sweet, beautiful Laura.

I loved this sweet friend fiercely! She was one of my very best, cherished, and eternal friends. She was closer to the Savior more than anyone I have known. I’m grateful for the visits I made to Northern Utah during her battle from Cancer.These are memories I will forever cherish! I was grateful to be her visiting teacher for many years as well and during that time we developed an eternal bond that was unshakable and everlasting! I know without a doubt that I will see her again in the eternities and when I am there I will wrap my arms around her with those same special hugs we shared often on earth! I’m so grateful Laura has now found rest in the arms of her loving Savior.

Her beautiful smile reflected her love for everyone. We always radiated a spirit of peace and kindness. Her magnificent goodness will be deeply missed. Our thoughts and prayers are with Mike and the family.
