You will be missed Laura, Love and prayers to your kids and grandkids.

Dear family. We are beyond sad to hear this. Jim and I have always loved Laura and Dan so much. Jim has been in the hospital for a while and is devastated he cannot reach out to give his condolences. Dan was his best friend and thought of Laura as a special angel on earth. We are happy they are reunited and continue their love story.

I worked with Laura at Young Women's camp in 2004. She's an amazing woman, who shared her talents, love and kindness. I didn't know her, when she was called as my camp assistant, but she made that calling a blast and enjoyable. She has a beautiful spirit about her and I am blessed and grateful to have gotten to know her.
