Rachelle, our hearts are aching for you, it's never easy to let our parents go. We hope you will find your comfort in the many wonderful memories of your mom. Please know that you'll be in our thoughts and prayers. Much love, Mara & Boyd

Rachelle and Family, I am so sorry for your loss. It’s beyond difficult to lose someone who seems to be the force holding the family unit together. Those wonderful shared times and memories of her will always be there for you to relish. Love Bonnie Bateman Brijs

So very saddened by this news. We love you all and pray for the comforter to be with you as long as you need. She lived a delightful full life. Raised great children. Enjoy your memories and cherish. Our love to all. Note we’d like to come but will be in Colorado. ■

LaVon you will be so missed, my friend, my neighbor. I will miss our discussions on world events, gardening, children and politics. Our conversation were never judgmental, often uplifting and inspirational. Thank you for your friendship.

We are so sorry about LaVon’s passing. She was a wonderful person, sweet and kind. She was so good to Jeannie, she came to see her every week, and Jean loved her for that and so much more. Scott will miss seeing her at the center. We know that Dad and LaVon had fun playing tricks on each other, She will be missed. Love Scott and Trudy

Dearest Renae and family. I am so sorry to hear of your loss. Your mother was the kindest happiest woman I knew. I hope that you feel love and comfort from those who also loved your mother. Hugs to you all. Karla

Dear Uncle Jay and family... Words can't express how hard it is to lose the love of your life! The magnitude of the pain of the loss matches the magnitude of the LOVE. I'm so sorry... You're all in my heart and prayers. Love... Deb

To say my heart is broken would be an understatement... but while it is, I KNOW what a reunion LaVon is having with my mom Jean and my other mom Kona Mar.. My three moms back together. I can hear them laughing, telling jokes and shopping.. My L0VE goes to the Memmott family. So many fond memories for many decades. I had to mess her hair up (just a little) one last time.

My family and I enjoyed Darin growing up. He was my brother, Kurt's best friend. I remember my mom visiting with LaVon at their house down the street. Jay and LaVon's house was always so pretty inside and out. And LaVon always looked like a million bucks with her great style.
