

Lawrence E. Stevens

I feel so honored to have had the pleasure of knowing and loving Larry. Larry was a gentle giant of a man. He loved being fully engaged with those around him and had such a warm, casual way of expressing friendship through his actions and the twinkle in his eyes. It was always a memorable evening when I got the ‘lucky’ seat next to Larry. Tracy, you two were a remarkable team. His love, devotion and respect for you lives on. What a team you were! Tony and I send our love to you and all your wonderful family at this tender time. Cleone ♥■

What a dear, caring man Larry was. I’m sorry that he is gone. My thoughts and prayers are with his loved ones right now.

Larry was a truly unique guy. It was my honor to know him and to work with him on the Cheerleading squad. The stories I could tell... well, perhaps not. See ya on the other side buddy! (if I end up where you are)... AEKDB

Larry brought joy, storytelling and hilarity wherever he went. He brought deep bonds of friendship ship and lot of joy to us. We will forever treasure our memories of Peoa campfires, and great travels with him and Tracy. Our dear friend Larry left us much too soon and he will be sorely missed. “ Perhaps they are not stars but rather openings in heaven where the love of our lost ones pours through and shines down to let us know they are happy and free from suffering.” Eskimo Proverb. We love you Larry, rest in sweet peace. Jody & Louis
