

Lawrence "Larry" Edward Braby

December 6, 1930 ~ November 26, 2025

My deepest condolences to the family. I lived 2 doors down from Larry in the ‘90’s in Emmigration Oaks. I was fortunate to join Larry’s tennis group on my return to the Salt Lake Valley in 2019. I considered Larry a great role model on and off the tennis courts. Who wouldn’t want to play tennis into their 90’s and ski into their 80’s?

It has been a privilege knowing and being a friend of Larry's. He will be missed. Louise and I offer our love and condolences to his family.
