

Lawrence Everett Thatcher

August 12, 1924 ~ October 9, 2020

Dear Thatcher Family, my wife and I are saddened at the passing of your father, grandfather and great-grandfather. I am so thankful for the opportunity that I had to work with Larry Thatcher and for the many times he called us into his office and took the time to review our projects and provide guidance and learning experiences with us. He was a very patient man and valued the importance of all of his employees. He was always very fair with everyone and kept an open door for all employees to meet with him. The Lagoon parties sponsored by the Thatcher family are always fun, well attended and gave the employees and their families a chance to visit with Lawrence, Helen and the Thatcher family members. Thank you, Larry and Carolyn Dietrick
